their insurance needs. Based on the information provided by Dr. Macarenhas and the estimated length of time Mr. Candaso will need to be in California for the care of his son, his supervision was transferred to the U.S. Probation Office in the Central District of California on February 17, 2006.

Prior to Mr. Candaso's departure, he had completed 184 hours of community service performance of the 400 hours ordered at sentencing. In consideration of Mr. Candaso situation, the 216 hour balance of community service was waived by the Court. All special conditions have been satisfied, and there have been no new criminal convictions.

The Central District of California is recommending early termination of Mr. Candaso's supervision. Mr. Candaso has completed two years of his three year term of supervised release which is set to expire on July 21, 2007. Based on the information above, this Officer is in support of the request. Assistant U.S. Attorney Russell Stoddard has also stated that he has no objection.

RESPECTFULLY submitted this 24th day of August 2006.
